Dear Parents/Guardians,

It is wonderful to see some of our students participating in our optional No Uniform Today (NUT) program. As you are aware, your child may use a NUT card on this day or pay on a NUT day to participate in this program. Again, students are not required to participate in this activity at all. It is your decision to make. It is always acceptable for students to wear their school uniforms.

Recently, some of our children have been participating in this program without submitting a NUT card or making payment. This does not follow policy. Students cannot be held accountable for this. Therefore, I am asking my partners in education, you the parents/guardians, to make sure that if you are sending your child to school without a uniform that a NUT card or payment is submitted on this day.

Thank you in advance for your support!

Sincerely,

Frederick M. Tudda
